

Equal Opportunities & Diversity Policy and Statement of Intent

Comet Security Services Ltd members and staff oppose racism and sexism in all its manifested forms. We pledge to implement policies that treat all persons in our business's functions equally based on race, sex, class, colour, ethnic origin, nationality, sexuality, marital status, age, trade union activity or membership, physical or mental disability, or religious belief. We endeavour to promote these values within the places where we operate and with individuals, organisations or entities we come into contact with.

Comet Security Services Ltd is dedicated to taking action to carry out this policy.

Comet Security Services Ltd states that it is an equal opportunities employer. Accordingly:

In providing Security Services and employing persons to provide these services, SAB Profession Security Ltd endeavours to make employment decisions based on equality of opportunity and fair treatment for all persons.

No one or group seeking services, a job, or contracts with us will be treated with discrimination based on sex, sexuality, age, race, class, colour, nationality, ethnic origin, marital status, trade union membership or activity, physical or mental disability, or religious belief.

Comet Security Services Ltd will strive to help disadvantaged person groups benefit from its services and attempt to identify their needs as part of implementing this policy.

We will compile and review records of the ethnic/racial origin and sex of everyone applying for services or jobs from us to help implement this equal opportunity policy.
